“It’s a Wrap”—Sewing Fabric Bowls, Baskets and Bags

Frozen Fabric Frolic—Feb. 16-18, 2018

Taught by Barb Headrick

In this class you’ll learn the technique for making bowls, baskets or bags from fabric wrapped clothesline. We’ll begin by making a basic bowl which will measure about 9-10 inches in diameter. From there let your imagination take over!

These can be made from a single fabric (which should be chosen primarily based on color), from multiple fabrics or from scraps. You’ll receive information for estimating how much fabric and cord will be needed for various sizes of finished items. These fabric creations can also be embellished with beads, buttons, or anything else you can think of.

It’s a very fun and quick project, but you should be warned—
“You can’t stop with just one!”

If you have questions about the class, call Barb Headrick at 258-0290
