The Missouri Valley Quilters general meeting was held May 21, 2015 at 6:30 at House of Prayer Church in south Bismarck. President Mary Rasmussen opened the meeting with 23 members present.

- Guests were introduced.
- No changes were needed for the minutes.
- Treasurer's report showed a balance of \$1522.52.
- National Teacher's Committee reported that all went well for the classes. MVQ did not quite break even due to paying the church rent money for the last two times we used the facility for National Teacher's classes. In addition, the current committee is stepping down and Michelle Ripplinger has volunteered to chair the committee. Other members are welcome to volunteer for the group.
- Sandi provided a national teacher contact business card from Carolyn McCormick. Carolyn is the national teacher who invented and teaches the "Add a ¼ ruler". Carolyn was teaching a paper piecing class in Fargo on her way back from Market in Minnesota. Everyone who took her class that Sandi talked to loved it.
- Warm Start is still in need of more quilts and can always use more flannel blankets.
- Frozen Fabric Frolics is taking a break for right now. Please remember they need volunteers for the Frozen Frolic Committee.
