Newsletter deadline is the first Tuesday of the month.

NEW BUSINESS

August Meeting – Suggested a pizza party and members bring a dessert. Suggest a one-year block of the month kit – preferably one that has not been started and challenge those participating to have it complete in one year.

Mona Kay read a thank you note from Warm Start recipient.

Update on Quilters from Baker, MT - Sandi said she contacted Sherry and Jeanne from Baker, MT. They were at the National Teacher last spring. They reported they had little or no damage from the terrible storm that went thru their area a couple of weeks ago.

OTHER DISCUSSION:

Sandi and Diane Trussell are working on Facebook page for Missouri Valley Quilters. The group needs to decide if it will closed or open. Also, comments can be pre-approved before they are posted.

Can start with it open and then close it later. Sandi and Diane will be working on it thru the summer and hope to have something in place this fall. The MVQG web page will have a link to the Facebook page.

**Missouri Valley Quilt Guild
Board Meeting Minutes
Wednesday June 1, 2016**

Present: Mona Kay McCleary, Mary Rasmussen; Diana Trussell and Effie Carr

Hostesses:

Need hostesses for meetings in September, November and coordinators for the Christmas Party.

Donation:

A \$1,000 donation was made to MVQG for the purchase of materials and/or supplies for the Warm Start Program. We will work with Sister-in-Stitches to determine the best way to spend the money.

August Meeting:

Plans are to have a very short meeting in August and order pizzas instead of a picnic as was previously discussed. Guild members should bring a kit to start and work on after the meeting (bring necessary supplies). The goal would be to finish the project by next August.

MVQ Facebook Page:

Diane Trussell met with the board members and reviewed the Facebook page she has created for the guild. She recommends keeping the page basic and having several from the board on the account to update, etc. The page would list monthly activities, upcoming events (i.e. the national teacher). The page could be updated a couple times a month. The newsletter is on the web page and will not be on the Facebook page. Diana will demonstrate at the meeting with more discussion with guild members.

North Dakota State Fair Winners:

Guild members - if you entered one of your quilts at the State Fair, please bring to the August meeting to share! Also, rumor has it there were several winners!

Checkbook Balance:

\$1,867.50

Note: North Dakota State Fair Quilt Challenge & Entries

Sandi & Diana will bring all the quilt entries to the August meeting so they can be return to their owners.
